

Schafmatt / sheep checkmate

Deutsch:

Es war einmal ein hungriges Schaf, das hat den ganzen Tag gefressen. Was passiert wohl, wenn es nie satt wird? Es frisst einfach weiter - was sonst ...
Eine Metapher über die Gier und den Egoismus.

English:

Once upon a time there was a sheep that was eating whole the day. But what happens if it won't have had enough and never gets full? It continues eating - what else ...
This is a metaphorical short story about a sheep eating and destroying its environment.
